- A face-to-face interview
- Scheduling a tour
- Making a referral
- A presentation at your site

Contact us at 610-928-0173.

Residential rates are based on room preference and level of services needed. Most often, the person's income will need to be supplemented to meet the cost of providing residential services.

Clinical services fees may be covered by private insurance, Medicare or Medicaid.

*New Vitae Wellness and Recovery does not discriminate on the basis of race, color, gender, religious creed, disability, handicap, ancestry, sexual orientation, national origin, or limited English proficiency.*

## OUR MISSION

*Serving communities by promoting hope, health and wellness.*

We are dedicated to:

- Providing a holistic, person-centered, strength-based and trauma-informed array of services that support individuals' rights to meaningful and fulfilling lives in the community.
- Creating a safe environment that promotes hope, growth, self-esteem and the development of supportive relationships.
- Striving to increase community acceptance by breaking down barriers and stigma, expanding opportunities and integrating individuals into everyday life.
